STOP! Can you see the mom cat OR a nest?

YES ↓

DON'T KIT-NAP!

A kitten's best chance of survival is with mom. **Leave the kittens where they are.**

If you want to help, make sure mom has access to shelter, food, and water and contact NBAS right away so we know they're there.

ARE YOU SURE?

Mom may be off hunting or not want to come around if people are present. Watch for her to come back for a few hours.

PRO TIP: Leave a ring of flour around the kittens. Check in a few hours if you see mom's foot prints in the flour!

Call North Bay Animal Services, 707-762-6227! Kittens this age need socialization and vet care, to get them started on their journey to forever homes. Mom needs to be spayed to prevent another litter of kittens!!
